### The princess and the pea

The prince was very happy, because he found his true princess. He married her at once.

On a very rainy and stormy night somebody knocked on the prince's door. It was a tired, wet and dirty girl.

Once upon a time there was a prince who wanted to marry a princess, but she had to be a true princess.

The girl slept in the bed where a little pea was hidden under twenty mattresses. She slept very badly. It was terrible!
