

Ich übe hier das 1x1

1x1	<input type="radio"/>									
2x1	<input type="radio"/>									
3x1	<input type="radio"/>									
4x1	<input type="radio"/>									
5x1	<input type="radio"/>									
6x1	<input type="radio"/>									
7x1	<input type="radio"/>									
8x1	<input type="radio"/>									
9x1	<input type="radio"/>									
10x1	<input type="radio"/>									

Ich übe hier das 1x2

1x2	<input type="radio"/>									
2x2	<input type="radio"/>									
3x2	<input type="radio"/>									
4x2	<input type="radio"/>									
5x2	<input type="radio"/>									
6x2	<input type="radio"/>									
7x2	<input type="radio"/>									
8x2	<input type="radio"/>									
9x2	<input type="radio"/>									
10x2	<input type="radio"/>									

Ich übe hier das 1x3

1x3	<input type="radio"/>										
2x3	<input type="radio"/>										
3x3	<input type="radio"/>										
4x3	<input type="radio"/>										
5x3	<input type="radio"/>										
6x3	<input type="radio"/>										
7x3	<input type="radio"/>										
8x3	<input type="radio"/>										
9x3	<input type="radio"/>										
10x3	<input type="radio"/>										

Ich übe hier das 1x4

1x4	<input type="radio"/>										
2x4	<input type="radio"/>										
3x4	<input type="radio"/>										
4x4	<input type="radio"/>										
5x4	<input type="radio"/>										
6x4	<input type="radio"/>										
7x4	<input type="radio"/>										
8x4	<input type="radio"/>										
9x4	<input type="radio"/>										
10x4	<input type="radio"/>										

Ich übe hier das 1x5

1x5	<input type="radio"/>									
2x5	<input type="radio"/>									
3x5	<input type="radio"/>									
4x5	<input type="radio"/>									
5x5	<input type="radio"/>									
6x5	<input type="radio"/>									
7x5	<input type="radio"/>									
8x5	<input type="radio"/>									
9x5	<input type="radio"/>									
10x5	<input type="radio"/>									

Ich übe hier das 1x6

1x6	<input type="radio"/>									
2x6	<input type="radio"/>									
3x6	<input type="radio"/>									
4x6	<input type="radio"/>									
5x6	<input type="radio"/>									
6x6	<input type="radio"/>									
7x6	<input type="radio"/>									
8x6	<input type="radio"/>									
9x6	<input type="radio"/>									
10x6	<input type="radio"/>									

Ich übe hier das 1x7

1x7	<input type="radio"/>										
2x7	<input type="radio"/>										
3x7	<input type="radio"/>										
4x7	<input type="radio"/>										
5x7	<input type="radio"/>										
6x7	<input type="radio"/>										
7x7	<input type="radio"/>										
8x7	<input type="radio"/>										
9x7	<input type="radio"/>										
10x7	<input type="radio"/>										

Ich übe hier das 1x8

1x8	<input type="radio"/>										
2x8	<input type="radio"/>										
3x8	<input type="radio"/>										
4x8	<input type="radio"/>										
5x8	<input type="radio"/>										
6x8	<input type="radio"/>										
7x8	<input type="radio"/>										
8x8	<input type="radio"/>										
9x8	<input type="radio"/>										
10x8	<input type="radio"/>										

Ich übe hier das 1x9

1x9	<input type="radio"/>									
2x9	<input type="radio"/>									
3x9	<input type="radio"/>									
4x9	<input type="radio"/>									
5x9	<input type="radio"/>									
6x9	<input type="radio"/>									
7x9	<input type="radio"/>									
8x9	<input type="radio"/>									
9x9	<input type="radio"/>									
10x9	<input type="radio"/>									

Ich übe hier das 1x10

1x10	<input type="radio"/>									
2x10	<input type="radio"/>									
3x10	<input type="radio"/>									
4x10	<input type="radio"/>									
5x10	<input type="radio"/>									
6x10	<input type="radio"/>									
7x10	<input type="radio"/>									
8x10	<input type="radio"/>									
9x10	<input type="radio"/>									
10x10	<input type="radio"/>									

Mein 1x1- Büchlein

Name:

Ich habe am begonnen, mit dem
Multiplikationsbrett zu lernen.
