

Halloween, Halloween

Halloween! Halloween!
Oh, what funny things are seen!
Witches' hats, coal black cats,
Broomstick riders, bats and rats!

Halloween! Halloween!
Jack-o-Lanterns light the scene.
Costumes queer, shrieks of fear,
Strangest night in all the year!

I'm a big orange pumpkin

I'm a big orange pumpkin fat and round
Growing by the corn field on the ground.
I will be a Jack-o-lantern with two big eyes
Or maybe I'll be baked into two pumpkin pies.

I made a Jack-o'-lantern

I made a Jack-o-lantern for Halloween night.
(form circle with hands)
He has three crooked teeth, but he won't bite
(point to teeth, shake head no)
He has two round eyes, but he can not see
(point to eyes, shut them)
He's a jolly Jack-o-lantern as happy as can be.
(smile!)
