

My schoolthings

What have you got in your schoolbag?
In my schoolbag there are lots of things.
There are my pen and my pencils,
my rubber and my ruler,
my scissors and my glue,
but there's not a doll in it.

What have you got in your schoolbag?
In my schoolbag there are lots of things.
There are my pencil case and my books,
my folder and my paperclips,
my felt pens and my sharpener,
but there's not a car in it.
