

Rechne mit dem Clown

Male die Bälle, bei denen Rechnung und Lösung zusammenpassen, mit der gleichen Farbe an!

The clown is a black and white line drawing of a happy clown with a large nose, a bow tie, and a top hat with a flower. A large question mark is floating above his head. He is surrounded by 25 circles, each containing either a math problem or a number. The circles are arranged in a roughly circular pattern around the clown.

Math problems and numbers in the circles:
