

A large number line from 1 to 60, with numbers 1-10 and 20-30 in yellow circles, and numbers 11-19, 31-39, 40-49, and 50-60 in white circles. The number 0 is represented by the letter 'A' in a yellow circle. Each number is accompanied by a simple arithmetic problem in a white box. The problems are:
